

BHS Soccer Boosters

September 2011

Dear Community Members:

Each year the BHS Soccer Boosters continues to support the Bellingham High School soccer program. The BHS Girls Soccer Boosters is a non-profit organization that raises funds for the girl's soccer equipment, clothing, awards, and banquets etc., which are items that are not covered by the high school program.

This year the boys and girls boosters will collecting donations separately to help fund their individual teams. With the fees for participation going up this year we are working to make soccer available to everyone. Due to the current economic climate, we are anticipating a higher rate of players requiring financial assistance with the peripherals involved in the sport.

We are asking local businesses for donations, no amount is too small, and to help make the 2011 BHS Girls fall soccer season a great experience for the kids. All donations will be acknowledged in our awards night program. Please contact me at 508-847-3368 if you have any questions or require additional information.

Thank you in advance for your time and consideration to support your local high school teams.

Thank you,

Erin Sias
BHS Girls Soccer Booster
